GMAT Exam

The Graduate Management Admission Test is a test of aptitude rather than a test of business knowledge per se. The test, offered throughout the year at local computer labs and administered by Pearson VUE, examines two areas: verbal and quantitative. A score is earned in each area and the scores are added together for a total GMAT score that ranges between 200 and 800. The actual required score for admission of an individual candidate into the program depends upon the cumulative grade point average earned in undergraduate work and an assessment of all parts of the candidate's application dossier. As detailed under admission criteria, the GMAT Exam requirement can be waived in certain circumstances. For more information on the GMAT, visit mba.com.

GMAT/GRE waiver requests are considered on a case-by-case basis for graduate programs which require an entrance exam. GMAT/GRE waivers must be approved by the Graduate Program Director and are not automatic for any candidate.

Mandatory Immunizations

Connecticut State law requires each full-time or matriculated student to provide proof of immunity or screening against measles, mumps, rubella, varicella (chickenpox), meningitis and tuberculosis. Certain exemptions based on age and housing status apply. Matriculating students are defined as those enrolled in a degree seeking program or an in-person certificate program. More detailed information on the required immunizations and how to submit the required documentation is available online. Although compliance with University immunization requirements is not required to complete an application, you must provide proof of immunity/screening prior to course registration. Please note, students who are enrolling in 100% online programs with no intention of coming to campus may be exempt from providing immunization records. Please consult the Student Health Center to determine what documentation may be required as an online student. Questions may be directed to the Student Health Center: 203-254-4000 x2241 or email (health@fairfield.edu) health@fairfield.edu .

International applicants must provide an official course-by-course evaluation for all coursework completed outside the US. Evaluations must be completed by an approved evaluator (found on our website) recognized by NACES. All international students whose native language is not English must demonstrate proficiency in the English language by taking and submitting test scores from one of the following exams: TOEFL, IELTS, Duolingo, or PTE Academic. Scores must be sent directly from the testing agency. Fairfield University's ETS code is 3390. English language test score requirements can be viewed on our website. English language testing may be waived for those international students who have earned an undergraduate or graduate degree from a regionally accredited U.S. college or university. Students with Disabilities

Fairfield University is committed to providing qualified students with disabilities an equal opportunity to access the benefits, rights, and privileges of its services, programs, and activities in an accessible setting. Furthermore, in compliance with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act, and Connecticut laws, the University provides reasonable accommodations to qualified students to reduce the impact of disabilities on academic functioning or upon other major life activities. It is important to note that the University will not alter the essential elements of its courses or programs.

If a student with a disability would like to be considered for accommodation(s), they must identify themselves to the Office of Accessibility, located in the Academic Commons on the main floor of the DiMenna-Nyselius Library, and complete the interactive request process for accommodations. Instructions for how to initiate the accommodation

request process are located on our website. Students can also email ooa@fairfield.edu to start the accommodation request process. This process should be done prior to the start of the academic semester and is strictly voluntary. However, if a student with a disability chooses not to self-identify and provide the necessary documentation to the Office of Accessibility, accommodations need not be provided and are not retroactive. All information concerning disabilities is confidential and will be shared only with a student's permission. For more information regarding accommodations and the registration process, please email (ooa@fairfield.edu), or call 203-254-4000 x2615.
