¹ May be taken twice; Behavioral neuroscience minors can take Supervised Research and the Research Thesis course up to two times each. They can be taken with the same research mentor or with different mentors. If the Research Thesis course is taken a second time, it should be for a separate project than the first. PSYC 2950 and PSYC 2955 (1 credit) do not count as psychology electives towards minor requirements.

² Only for certain sections; consult with professor.
