

# ADDENDUM

---

Fairfield University's official academic catalogs are published once a year and occasionally there are program or course changes that occur post-publication. These changes do not display in the general catalogs nor in the full catalog PDFs and only are referenced in the catalog addendum.

## Programs

### Undergraduate

#### Major

- Bachelor's of Arts in Digital Journalism is now an interdisciplinary major.
- Bachelor's of Science in Integrated Business and Engineering (Dolan School of Business)
