ARSC 2980 Liberal Arts Internship Elective 1-3 Credits

Students will engage in a work experience designed to be relevant to the student's academic pursuits, personal development, and professional preparation. The internship provides the opportunity to gain experience in workplace settings and to translate classroom learning into practice. The internship is a substantive career development experience. At the end of the internship, students will be able to reflect on their personal and professional growth and make a more informed decision on their career path. Qualified students may enroll by instructor permission. The internship must be approved in conjunction with the instructor and the CAS Dean's Office.
