

DUAL DEGREE MASTER OF BUSINESS ADMINISTRATION AND MASTER OF SCIENCE IN NURSING

Fairfield's dual degree Master of Science in Nursing (MSN) and Master of Business Administration (MBA) program prepares nurses with the knowledge and experience required for executive leadership positions in healthcare organizations. This dual degree program provides students with the ability to earn two master's degrees at once, giving them the ability to compete for the growing employment demand in the healthcare field.

An advanced generalist degree, the program draws upon the expertise of faculty members from the nationally-ranked Egan School of Nursing and Health Studies and Dolan. The versatile 62-credit dual degree will have students take courses across a variety of disciplines including accounting, finance, marketing, management, pathophysiology, systems leadership, information technology, healthcare economics, and more.

For more information on this program, please see the Egan School section of this catalog.
