TESOL AND BILINGUAL EDUCATION

The TESOL and Bilingual Education programs are offered at the Master’s and Sixth Year Certificate levels. The MA TESOL degree programs are designed for prospective teachers seeking initial certification or certified teachers seeking a K-12 cross-endorsement in TESOL. Candidates in the TESOL certification programs are prepared to educate K-12 students who are learning English as a second or additional language. A TESOL MA only option for candidates interested in teaching adults is also available.

The Bilingual Education programs prepare certified teachers (elementary K-6 or secondary 7-12 in an academic area) to teach the grade-level academic curriculum in a language other than English. Applicants interested in the bilingual education cross-endorsement and must demonstrate proficiency in English and at least one other language in accordance with current Connecticut State Department of Education regulations.

The Sixth Year Certificates (SYC) are designed for certified teachers with an MA in TESOL or bilingual education or an MA, professional development training, or some coursework in TESOL or bilingual education, and extensive experience working with language minority populations.

TSLA 5453 Differentiated Instruction for English Language Learners  3 Credits
Designed for foreign/second language/TESOL and bilingual teachers, this course will also assist content area and classroom teachers. Its purpose is to explore the basic concepts, research, and principles of differentiated instruction as a means to meet the diverse needs of students in today's classrooms. Participants will be able to align the concepts to their present teaching environments. Previously SL 0453.

TSLA 5461 Reading and Writing in a Second Language  3 Credits
Designed for second/foreign language and bilingual teachers, this course examines current theory and research underlying first- and second-language reading and composing processes. Additional topics include procedures for understanding and analyzing the problems that characterize second language readers and writers; strategies for assessing student performance; evaluating and adapting materials; and enhancing the comprehension and creation of written second language discourse. Previously SL 0461.

TSLA 5467 Language Acquisition  3 Credits
This course introduces the core hypotheses of current theory on language acquisition. Participants learn to recognize fundamental patterns of social and cultural contexts that facilitate language acquisition, build upon the processes and stages of language acquisition and literacy to provide comprehensible input, facilitate communicative competence and evaluate teaching and learning strategies across ability levels and within discipline-specific content areas. This course is approved for the Elementary Foreign Language cross-endorsement. Previously SL 0467.

TSLA 5475 Sociolinguistics  3 Credits
This course examines variability in language use according to region, race or ethnic background, gender, and personality with the goal of developing sensitivity to variation in one's own language and that of others, and examining language variation using the methods and insights of contemporary linguistics. Previously SL 0475.

TSLA 5477 Culture and Second Language Acquisition  3 Credits
Designed for second language and bilingual teachers, this course treats culture and language as interdependent phenomena, exploring the basic concepts, research, and principles applicable to culture and language learning with an emphasis on the practical application of these concepts to the language classroom. Participants also gain an enhanced awareness of their assumptions regarding their own and other cultures, and an understanding of how these assumptions influence language teaching and learning. Previously SL 0477.

TSLA 5527 Testing and Assessment in TESOL and Bilingual Programs  3 Credits
Designed for TESOL and bilingual teachers, this course provides an overview of formal and authentic techniques for assessing second language and bilingual proficiency. Participants evaluate standardized instruments currently in use; analyze techniques for assessing factors relevant to second language and bilingual proficiency such as academic achievement, language aptitude, and competence in reading, writing, speaking, and listening; and discuss controversial issues affecting language assessment. Previously SL 0527.

TSLA 5951 Elementary TESOL/Bilingual Advanced Practicum  3 Credits
This course provides TESOL/Bilingual Education candidates with opportunities for supervised internships in TESOL or bilingual elementary classroom settings. Students complete a minimum of 48 hours fieldwork in classroom settings where they will observe instructional practices and interact with and plan instruction for students learning English as a second language. In practicum seminar, candidates will reflect on and deepen their understanding of the ways in which the educational context and diverse educational needs of students have an impact on their learning and academic progress. Previously SL 0433.

TSLA 5952 Secondary TESOL/Bilingual Advanced Practicum  3 Credits
This practicum provides TESOL/Bilingual Education candidates with opportunities for supervised internships in the TESOL or bilingual secondary classroom settings. Students complete a minimum of 48 hours of fieldwork where they will observe instructional practices and interact with and plan instruction for students learning English as a second language. In practicum seminar, candidates will reflect on and deepen their understanding of the ways in which the educational context and diverse educational needs of students have an impact on their learning and academic progress. Previously SL 0489.

TSLA 6421 Linguistics and Language Assessment  3 Credits
This course focuses on the instructional application of the theoretical concepts learned in TSLA 5420 to English learners' reading and language development. Areas of study include the following: 1) Assessment of English learners' development of English phonology, morphology, and syntax; 2) interpretation of assessment results for the purpose of diagnosing English development; and 3) the use of language assessment results to develop instruction and intervention strategies to support English learners in mainstream, as well as Tier 1, Tier 2, and Tier 3 programs. Previously SL 0421.

TSLA 6439 Methods of Foreign Language Teaching for Elementary School  3 Credits
This course is designed for pre- and in-service World Language teachers seeking the Elementary World Languages cross-endorsement. Candidates will gain an understanding of current theory and methods of teaching foreign languages in the elementary school (FLES) grades K-6. They will examine similarities and differences between FLES program models and develop and understand of the issues related to program development. Topics will include the selection of developmentally appropriate strategies and materials for elementary foreign language teaching, lesson planning and curriculum development, and use of technology-assisted instruction. Candidates will develop their ability to integrate the ACTFL and CT World Languages Standards into FLES instructional program development and lesson planning. Previously SL 0439.

TSLA 6451 Infusing Content Language into TESOL/Bilingual Curriculum (Grades 4-12)  3 Credits
Designed for ESL and bilingual teachers, this course examines the discourse of content subjects and implications for curriculum development and instructional planning in TESOL/Bilingual programs. Topics include strategies to develop academic language, oral presentation skills, content specific syntax and grammar, and writing. Participants will examine textbooks and develop a curriculum unit that infuses content-area language into the ESL program. Procedures for assessing student progress in content area language development will be discussed. Previously SL 0451.
TSLA 6504 English Language Learners in the Regular Classroom 3 Credits
Designed to familiarize the mainstream teacher with the learning needs of children and adolescents who are linguistically and culturally diverse, this course employs an overview of second language acquisition theory as the framework for discussing ways to meet the needs of English language learners. Teachers also learn strategies for developing and adapting materials for creating communicative classroom environments and assessing student performance. Previously SL 0504.

TSLA 6522 Emergent Literacy in the TESOL/Bilingual Curriculum (PK-3) 3 Credits
This course is designed to prepare childhood education (PK-3) teachers to work effectively with culturally diverse children who are learning English as an additional language in preschool and school contexts. The course focus is on first and second language development in the young child with implications for emergent literacy curriculum development and instructional planning. Culture and child-rearing practices, their impact on schooling, and strategies to build successful partnerships with families and communities will also be discussed. Previously SL 0522.

TSLA 6530 Content Language and Reading Acquisition for English Language Learners and Special Needs Students 3 Credits
Using a train-the-trainer model, this course develops literacy leadership skills to train others and develops understanding of foundational reading concepts and strategies to better prepare PK-12 teachers to teach English language learners (EL) students how to read. This course is designed for candidates to learn about the developmental learning needs of culturally and linguistically diverse students, exceptional learners, and bilingual students with special needs, as well as working in collaborative data teams. Candidates will explore the similarities and differences between bilingual/TESOL students and students with special needs with a focus on reading skills development (e.g. phonology, orthography, morphology, syntax, semantics, etc.). Candidates will learn about instructional strategies that all teachers can use in their classroom to support reading development for all students. Crosslisted with RLDV 6530. Previously SL 0530.

TSLA 6581 Directed Observation and Supervised Student Teaching 6 Credits
Prerequisites: Formal acceptance into teacher preparation program and completion of all certification requirements.
This course for candidates who have been approved as qualified candidates for teaching in TESOL or bilingual education involves candidates in observation and teaching five days a week for one semester. In accordance with certification regulations, candidates spend half of the student-teaching period in an elementary setting and half in a secondary setting. The course emphasizes classroom management dynamics, teaching techniques, lesson plan organization, and faculty duties. Candidates participate in group seminars and individual conferences; the university supervisor(s) and the cooperating teacher(s) assist, observe, and evaluate each candidate. Previously SL 0581.

TSLA 6582 TESOL Student Teaching and DSAP Seminar 3 Credits
Candidates take this weekly seminar concurrently with student teaching or DSAP Part I. The seminar focuses on the issues and problems faced by student teachers and on the culture and organization of the schools. Although much of the seminar’s subject matter flows from the on-going student teaching experience, it address issues such as school governance, school and district organizational patterns in TESOL and bilingual programs, classroom management, conflict resolution, communication with parents, and sensitivity to multicultural issues and inclusion, as well as the job application process, including resume writing, interviewing, and the development of professional and teaching portfolios. Previously SL 0582.

TSLA 6588 Directed Observation I for TESOL/Bilingual DSAP Candidates 3 Credits
Prerequisites: All requirements for student teaching; approval of program director and dean.
This course is designed for candidates working in a public elementary or secondary school under a DSAP. Two semesters of observation are required. Candidates are observed and evaluated by a University supervisor a minimum of three times each semester. The supervisor collaborates with the candidate, their mentor, and with school personnel who are assigned to assess the candidate at the district level. Concurrent participation in a collegial reflective seminar is an element for this field experience. Previously SL 0588.

TSLA 6589 Directed Observation II for TESOL/Bilingual DSAP Candidates 3 Credits
These courses are designed for candidates working in a public elementary or secondary school under a DSAP. Two semesters of observation are required. Candidates are observed and evaluated by a University supervisor a minimum of three times each semester. The supervisor collaborates with the candidate, their mentor, and with school personnel who are assigned to assess the candidate at the district level. Concurrent participation in a collegial reflective seminar is an element for this field experience. Previously SL 0589.

TSLA 6900 Special Topics (Shell) 1-3 Credits
Prerequisite: Completion of 12-15 credits of program coursework.
The special topics course in TESOL and Bilingual Education varies in content, as needed, in order to provide timely opportunity to explore time-sensitive, new and emerging topics and foci on a one-time basis, or to offer a pilot section of a new course in development. Previously SL 0568.

TSLA 6951 Sixth Year Certificate Advanced Research Practicum in TESOL/Bilingual Education 3 Credits
Candidates solve a practical problem in classroom teaching, applying educational research to a specific ESL/bilingual school situation. Previously SL 0590.

TSLA 6990 Independent Study 1-3 Credits
Candidates complete individual study with the written permission of the department chair, having submitted their proposals prior to registration. Previously SL 0595.

TSLA 6999A Capstone Seminar in Inclusive Language Teaching 3 Credits
This course provides candidates in the TESOL and Bilingual Education MA programs with the opportunity to conduct an action research project in their classroom related to teaching English language learners. Through the course seminar and discussions, as well as individual conference sessions, students will deepen their understanding of the ways in which the learning environment, personal challenges, and educational needs of ESL and bilingual students from linguistically and culturally diverse backgrounds impact their academic progress. By conducting research in field settings, course participants will become familiar with the various issues and factors that influence the development and implementation of programs for second language learners and those who teach them. The research practicum will enable candidates to apply their understanding of prior bilingual and ESL coursework to the development and implementation of instructional support activities and/or a research project related to the education of ESL and bilingual K-12 students. Candidates must have completed 24 credits in their program of study before enrolling in this course. Previously SL 0540.
TSLA 6999B Comprehensive Examination in TESOL and Bilingual Education  0 Credits

The comprehensive examination provides candidates with an opportunity to critically analyze ideas and practices studied in the TESOL or bilingual programs. Candidates will synthesize and apply the knowledge and understandings gained in the program to address a critical issue related to educating English learners and demonstrate their ability to advocate for ELs and provide leadership as TESOL and bilingual educators. Candidates are strongly encouraged to meet with their advisor before they register for the comprehensive examination. Previously SL 0099.
