

SIXTH YEAR CERTIFICATE IN SCHOOL PSYCHOLOGY

Requirements

A separate admission application for the SYC must be submitted. Those wishing to be accepted for matriculation at the SYC level must first complete all the MA course requirements in school psychology. Applicants with related MA degrees may be considered for admission into the SYC program. However, all MA degree requirements in the School Psychology program must be completed.

Candidates must submit their e-Portfolio before the completion of PSYG 6982 Internship in School Psychology II. Additionally, candidates must pass the Praxis II test in School Psychology.

Candidates who are accepted into the SYC program with related degrees must fulfill all program course requirements. They must also develop and submit their e-Portfolios and complete three full day PREPaRE crisis management workshops presented by certified faculty trainers.

A prior master's degree (or higher) in a relevant field is required.
