MASTER OF SCIENCE IN NURSING: FAMILY NURSE PRACTITIONER TRACK

The MSN Family Nurse Practitioner program prepares advanced practice nurses to provide holistic care to individuals of all ages from newborn babies to end of life. Students work in all care settings with a focus on delivering health promotion and disease prevention to people with acute and chronic disease. Graduates of this program are eligible to diagnose and manage the care of patients across the life span and in all settings except critical care. Students complete clinical practica in nearby city and rural clinics, private practices, hospitals, and settings that employ advanced practice nurses or MDs. The MSN Family Nurse Practitioner track requires 51 credits of coursework, including 12 credits (600 hours) of practicum experience.

Requirements

Code	Title	Credits
Graduate Core Cours	ses	0.000
NURS 6521	Healthcare Leadership Roles for Systems Improvement	3
