

CORE CURRICULUM

The Dolan School of Business has two components to its student undergraduate core curriculum. Fairfield's *Magis* Core, common to all undergraduates, provides a solid grounding in liberal arts skills and habits of mind: critical thinking, oral and written communications, and reflective practice, to name a few. The Dolan Business Core provides a solid foundation in the business disciplines while preparing them to delve deeply into their chosen major.

The plan of study below presents a typical four-year schedule of courses in the program.
